3 Steps

Our process involves 3 steps: Truth, Justice, and Liberty.

TRUTH

We hunt for the Truth in your tax issue, starting with a free, no obligation consultation. Without the Truth, there can be no Justice.

JUSTICE

We bring Justice to the IRS, Justice to the tax industry, and Justice to you, the taxpayer. We bring the Scales of Justice back into Balance.

LIBERTY

Once your tax issue is resolved, we ensure our clients are truly free from their worries. We stop nothing short of your Liberty.

3 Pillars

Our Core Values rests upon Three Pillars.

Pillar 1

Justice to the Taxpayer

We are able to do this with:

- The most experienced team of legal minds.
- Taxpayer education on their rights and tax law.
- I.R.I.S. - our unique Intelligent Resolution & Injustice Scan software.

Pillar 2

Justice to the IRS

We do this by explaining the taxpayer's rights:

- Right to be informed
- Right to pay no more than the right amount of tax
- Right to privacy
- Right to challenge the IRS's position
- Right to a fair and just tax system

Pillar 3

Justice to the Tax Industry

We do this by focusing on the following goals:

- Establishing and abiding by a Code of Ethics
- Certification of all employees
- Transparency of services
- Requiring a \$1 million Insurance Policy to provide clients peace of mind

3 Guarantees

Our 3 Guarantees are a promise you can count on.

No Hidden Fees

Our job is to free you of tax debt, not give you another financial problem. For this reason, our fees are flat, with no retainer fees, hidden fees, or surprise fees. What you are quoted is what you will pay for the services you requested.

Best Resolution

Our tax professionals are committed to truth, justice, and liberty for all taxpayers. That means our clients can count on us working our hardest to get them the best resolution available for their needs.

Best Service

We have seen many taxpayers affected by the mistreatment at the hands of other tax professionals. That's why we treat every client without judgement, holding them in the highest regard, giving them the dignity, respect, and empathy that they deserve.
